

**KNITTING GUILD OF GREATER BUFFALO  
SPRING SEMINAR – APRIL 30-MAY 1, 2022  
MARRIOTT HOTEL, 1340 Millersport Hwy, Amherst, NY 14221**

At long last, KATE ATHERLEY is coming to teach our guild! Kate was originally scheduled for May, 2020, and in an abundance of optimism, rescheduled for Labor Day Weekend, 2020. With the border finally open and vaccinations and boosters, Kate is coming. Kate is a master designer and teacher, and probably the most sought after tech editor around. Her baby sock pattern (free on Ravelry: <https://www.ravelry.com/patterns/library/baby-socks-23>) has produced a mere 2355 project pages (and thousands more without project pages). Her classes routinely sell out at rates of \$100 or more. The guild is bringing these classes to you at \$35 per three hours of class (\$40 for non-members). Don't miss out on this great opportunity.

Spaces in the classes will be limited to allow 6 ft between students. In addition, you must be vaccinated in order to attend. Masks will be required for entering the hotel and the classroom, and may also be requested by the instructor. Please respect this request – it is necessary in order to make Kate feel comfortable.

There are 4 classes: You may register for as many classes as you like. We will register Guild members in order of receipt of your registration as follows:

1. All registrations postmarked or received by Friday, April 1, 2022, from Guild Members, in order of receipt.

2. All other registrations from Guild Members or Non-Guild Members in order of receipt.

**REGISTRATIONS WILL BE CONFIRMED BY EMAIL**

**PLEASE NOTE NEW LOCATION: Marriott Hotel, 1340 Millersport Highway, Amherst 14221**

**Class Descriptions: (Each class is limited to 25 participants)**

**Saturday, April 30, 9am - 12n Introduction to Toe-up Socks**

If you are familiar with cuff-down socks (or even if you are not!), you will love this class, where you will learn how to make socks from the toe-up. Toe up socks let you try them on as you go, and they are essential when you have limited yarn (to simply adjust length of leg). Level: Comfortable knitting in the round with DPNs, 2 circulars needles, or magic loop.

**Saturday, April 30, 1pm - 4pm: Elizabeth Zimmerman's Baby Surprise Jacket**

This legendary garment design is a highly unusual construction, and rather unconventional style of pattern instruction; this project builds many skills, including increasing, decreasing and picking up stitches, and provides an introduction to seaming. Level: Suitable for all levels, including beginners.

**Sunday, May 1, 9am - 12n: Garment Smarts for Simple Alterations**

This is a special class Kate has designed just for us—a combination of her classes on Intro to Garment Alterations and Smart Strategies for Garment Knitting. She will lead a discussion on how to pick the right pattern for you, choosing a size and a yarn and how to make some simple adjustments. Level: Suitable for all levels, including the math averse.

**Sunday, May 1, 1pm - 4pm: Next Steps for Lace**

This class will explore a variety of more complex lace stitch patterns: one- and two-sided patterns, patterns with changing stitch counts, Nupps, Shetland bead stitches, and attached edgings. Level: Comfortable knitting simple lace patterns.
